## ***About the project:***

The DRC is a network of 65 universities in the Danube Region. It aims at improving higher education in teaching and research as well as facilitating contacts between the universities. The Summer School project was initiated back in 2003 to promote regional co-operation.

## **TARGET GROUP & APPLICATION:**

We are looking for university students, young scientists and early-stage researchers, who are interested in the field of higher education or one of the four thematic areas in particular and intend to have deeper knowledge about the Danube Region.

In order to apply, please fill out the online application form until 31. May 2022 via the following link
