Danube Rectors' Conference

Dear colleagues,

Keeping in mind the diversity of our guests' profiles and preferences, we have listed several ways for you to travel to Timișoara.

Airplane

If you wish to travel by airplane, please keep in mind that there is only one airport in Timișoara („Traian Vuia” International Airport). Driving from the airport to the city center can take between 30 and 45 minutes, depending on your time of arrival. You can either choose a cab (there is a cab station right next to the airport entrance) or order an Uber/Bolt (both services are fully available in Romania).

If you choose public transportation, we recommend the E4 line, which will take you right to the city center, next to the Maria Theresia Bastion.

Car

One possible way to travel to Timișoara is by car. If you choose this option, rest assured that all accommodation options we have provided for you offer parking, either free of charge or for a reasonable price.

Bus

If you'd like to travel to Timișoara by bus, our recommendation is using Flixbus. Please check the following website in order to book your trip:

- **General information**

The third largest city in Romania (about 350,000 inhabitants), Timișoara successfully combines the charm of a small town with the opportunities of a big city. Situated in the Western part of the country, Timișoara is the capital of Timiș county, which borders Serbia and Hungary. Symbol of the 1989 Revolution against the communist regime, Timișoara has had a turbulent history. Now, it is a multicultural city, where Germans, Hungarians, Serbs, Jews and other ethnic groups live side by side with the Romanians.

It is the only European city with three public theatres in three different languages (Romanian, German and Hungarian). It also has an Opera house, a symphonic orchestra and many art galleries and museums. Timișoara is an important academic center, with four public universities: the West University of Timișoara, the Polytechnic University, „Victor Babeș” University of Medicine and Pharmacy and the University of Agricultural Sciences and Veterinary Medicine of Banat. Our city is a modern, cosmopolitan one, guided by the following motto: „Unity in Diversity”.

The city has plenty of outstanding monuments and buildings. Here is a brief list containing some of the most popular local attractions:

- The Orthodox Cathedral
- The Roman Catholic Dome
- The Huniade Castle
- The Maria Theresia Bastion
- The Union Square
- The Art Museum
